Culture Training Workshop – held on 19 October 2018

An audience of 40 attended Culture Training at the premises of Grant Thornton last Friday 19 October.

The audience was blown away by the quality and useful content in Jenny Harvey's talk about the transition of culture at Demold from "What it was" to now winning employer of the year three times in a row. Inspiringly full of practical tips that are directly applicable.

MC, Christine Molitor (ILF 2017), CEO of Scope Global kept the show on the road gently and entertainingly, offered several useful comments and through carefully constructed questions enabled speakers and panellists to reveal more valuable insights.

The panellists who each gave two or three golden nuggets were:

Gerry Doyle	CEO, Tonkin Consulting
Eddie Lane	Partner, ColdLogic Refrigeration
Kelly Jamieson	Managing Director, Edible Blooms
Bruce Watson	Chief Executive, Workcover Queensland
Deb Dickson	Head of Retail, Homestart Finance
Chris Johnson	CFO, REDARC
Ben Smit	CEO, Teamgage
Iain Kemp	National Managing Partner SA, Grant Thornton

Feedback from attendees has been very positive. For example:

- Victoria Angove wrote – Thank you for an outstanding afternoon on Friday. Jenny's presentation was excellent and having been initially a little sceptical about such a

large panel and how it might “work”, I found the 5 minute “ted talk” and then discussion engaging and educational.

- Richard Inwood wrote – The "Culture" session was terrific. A timely reminder on what is good and what is not.
- Hannah Murdoch wrote – It was great to have a summary of each of the panellists' experience before-hand via the bulletin. I really appreciate Geoff going around and introducing me to people when I look a bit lost during the networking portion of these events. It makes me feel a lot more confident about attending.

Geoff says thankyou to all the presenters for their extensive preparation, their willingness to share and for their uplifting positive entertaining approach on the day.

A video of the whole day will be loaded on the ILF website soon.
