*OZ Minerals / Manager – Commercial*

OZ Minerals Commercial Manager Jane Brunton got her start in mining as a FIFO engineer before working on two South Australian mines.

In 2018, she joined OZ Minerals to work on the company's growth pipeline, including the Carrapateena Expansion Study, the West Musgrave Project, the Prominent Hill Expansion Study and merger and acquisition opportunities.

Jane became a member of the 2019 Industry Leaders Fund Scholar Network, which shares talent and knowledge within the industries and the communities in South Australia.

She's also the Secretary of the Adelaide MBA Alumni Committee and the Young Achiever winner of the 2020 SA Premier's Awards.
