

## FORTNIGHTLY BULLETIN

25 January 2018

Dear Scholars

We have listened to you

- the half yearly Newsletter is interesting but too long
- we are starting to stream large numbers of emails.

After consulting Kris Lloyd we have decided to trial a fortnightly bulletin. It will provide the latest news from Scholars which will no longer be included in the Newsletter, and regular updates on ILFSN activities which should reduce the number of ad hoc emails.

Your thoughts on this initiative would be welcomed.

Please let Suzi know if you have news about you or your business that can be placed in the next bulletin.

### COMING EVENTS/DATES – TO 28 FEBRUARY

- Mon. 29 Jan This is the close off date for the **ILFSN Annual Survey** re business success. Thank you to the Scholars who have taken the time to complete the survey. If you are able to answer the survey and have completed your course before 30 Sept. 2017 please read the email that was sent to you on the 16 Jan. 2018. The information received will assist the ILF in analysing the advantages the Scholar and their business has achieved after completing their course. This is the link to the Survey: <https://www.surveymonkey.com/r/5VDBKXZ>
- Friday 2 Feb **'Negotiations' Work Shop** with Ann Verbeek at Grant Thornton. This training seminar is the most popular training session to date with 40 people registered to attend. If you missed out, but wish to attend, we have a waiting list, in case there are last minute cancellations. Please email Suzi now.
- Tues. 6 Feb ILFSN Committee Meeting at ILF, 4.30 pm.
- Thurs. 15 Feb **Leaders are Readers Book Club** – Breakfast introduction session at Openbook Howden, 2/14 Paul Street, St Marys, at 7.30 am. There still are a few places available if you wish to attend. Email Suzi now to secure your place.

Tues. 20 Feb **The South Australia Breakfast** at the Naval, Military and Air Force Club of SA. The guest speaker is Peter Charlesworth (ILF 2013). We hope you will be able to attend and enjoy a continental buffet, plated hot breakfast, an excellent way to hear Peter speak about Minelab, Codan and his Harvard experience. Please click on the following link to view all the details:
